

How NAG is organised

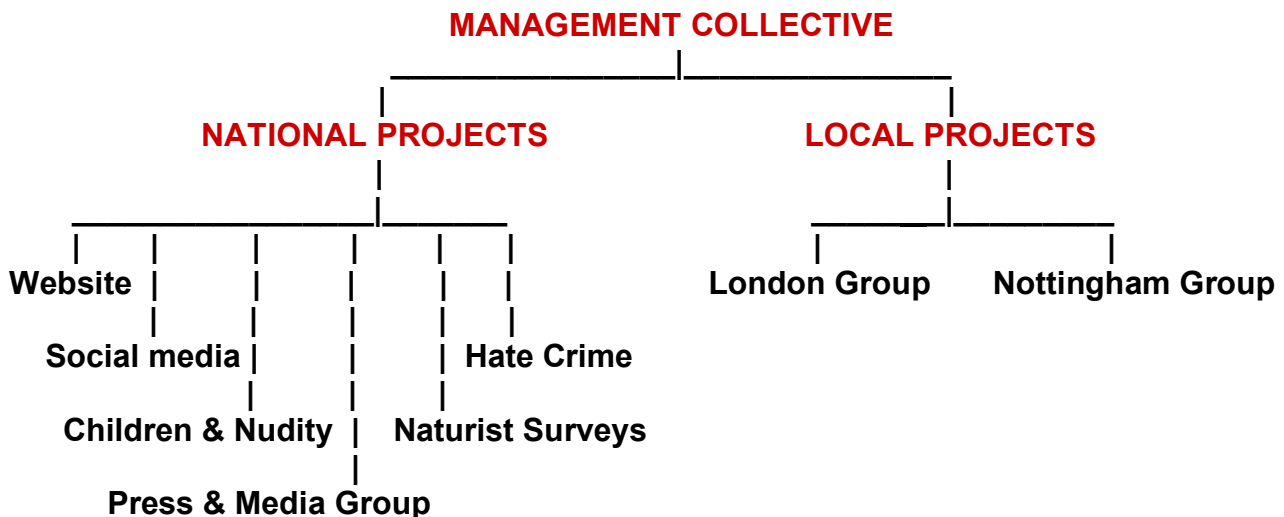

The Naturist Action Group (**NAG**) is an internet-based UK organisation which provides a platform for those wishing to campaign on naturist issues. We are run entirely by naturist volunteers. People who wish to help NAG on its various projects, or to use NAG to set up new initiatives, become NAG Supporters. All NAG Supporter contact details are kept securely in accordance with the GDPR laws.

Many UK naturists support and work with NAG projects on opportunities to promote naturism. NAG works with other UK naturist groups and has international links with campaigning naturists and groups in several countries around the world.

An open management structure

We operate a simple structure of accountability to manage the NAG activities, with a small Management Collective at its head. Local Projects are developed and run by local naturists. National Projects are each headed by a Management Collective member. NAG Supporters assist in the NAG Projects which they feel they can provide help to.

To provide guidance and support, also to ensure that NAG projects accord with the NAG objectives, each project has a link to a NAG Management Collective member. As well as regularly keeping in touch via the internet the Management Collective members meet physically twice a year. During the coronavirus pandemic restrictions we use Zoom.

As new projects are developed they will be added to the diagram. Please contact us if you would like more information about NAG projects, wish to offer help, or have a new naturist project idea.

Finances

To operate a paid membership fee system is expensive, which is why we do not have one. We keep our costs to a minimum and NAG survives financially on donations from Supporters, plus fees from published articles on naturism. If a project is likely to be expensive then we fundraise specifically for it.

You can donate via Paypal through our website at <https://www.naturistactiongroup.co.uk> or by sending a cheque (payable to **Naturists Ltd**) to:
