

NAG London Group Actions in 2021

To: all NAG supporters interested in **NAG London Group** and its activities

First, I hope that you are keeping well in these difficult times. The Covid restrictions are reducing under the government's roadmap. **Your help is needed** to decide campaigning by **NAG London Group** in 2021.

The UK vaccination programme appears to be successful. We expect NAG to be able to restart open air, face to face, campaigning activities in July.

At national level NAG has taken up issues raised in London last year, as well as starting new NAG Campaigns. Details can be found, of these and lots of NAG action, on this website www.naturistactiongroup.co.uk If your browser gives the old website - ending in .group.org – **cancel it** as we have this new, much better, website!

You are invited to join in a meeting by Zoom at **2.00pm Saturday 10 April 2021**

Passcode: **975512**

Discussion on 10 April will cover:

1. Offer as note taker for this meeting (a video record may assist)
2. **Is there a need for NAG London to continue?**
3. Update from John Paine on role of a new group Co-ordinator
4. Harvey Allen to explain GDPR requirements on personal information
5. Offers to arrange specific group activities from July onwards

For a successful **NAG London Group** the work needs to be shared among several willing volunteers. Rotating meeting chair and note-takers, campaigning activity organisers on specific events, and a Co-ordinator. With a NAG email address the Co-ordinator will be the reference point: for receiving information and then sending it out to people on the NAG London circulation list.

Saturday afternoon was asked for by London people. Harvey will be the Zoom technician and Ray has agreed to chair the meeting.

If you are unable to participate in this Zoom meeting on 10 April we would still very much welcome your comments via:
